

Boundaries:

Continued from page 1

The bishop said he and the Cabinet “leaned into” the Holy Spirit’s guidance as they worked. “Without that, we would be lost.”

And he thanked all the people within the districts who are discussing property and finances, continuing to advance the transition work, spending the hours “to make sure we get it right. This is a labor of love.”

Find a new video of Bishop Hayes speaking about the district boundaries at www.okumc.org/OKVideo.
